

Make paper plate animals

Paper plate animals are easy to make and make a great 3d decoration. Follow the steps below to create a paper plate snake. Be careful when cutting out and get an adult to help if needed

Step 1: collect paper plates, pens, string and scissors

Step 2: draw a spiral on your paper plate

Step 3: draw a pattern within the spiral

Step 6: hang up your paper plate snake

Step 5: tie a string at the top of the snakes head

Step 4: cut out the spiral
