## How to make a juice carton purse/wallet

### You will need:

- Drinks carton
- Scissors
- Velcro
- Electrical tape
- Stapler and staples

### Instructions:

1. Firstly make sure that the carton has been thoroughly washed out
2. Fully open out the corners of the carton
3. Flatten the carton
4. Cut off top and bottom along fold lines
5. Create the flap, by cutting off three sides, leave one the longer ones in tact to act as the flap.
6. Fold the two short sides of the carton inwards.
7. Put tape around all the areas you have cut.
8. Fold the purse in half again and staple together
9. Staple the velcro to the top of the purse, so your money stays safe.
10. Tad Dah! One carton purse!
